

Kelfield Defibrillator

Where is it?

- Kelfield Village Institute, Riccall lane, Kelfield, YO19 6NH – Under the Porch. The cabinet is locked and requires a code to unlock it.

How do I find the code to unlock the cabinet?

- **Ring the Ambulance service emergency number 999**
 - They will ask you about the patient and give you the four number code.
- Use the code to unlock the cabinet to access the machine

How do I know how to use it, I have never had any training?

- Follow the instructions on the defibrillator.
- The machine also gives verbal instructions for every step.

Can I hurt someone or do more damage if I use it?

NO - The Defibrillator is pre-programmed to only deliver a shock if it detects the right conditions. You can not cause harm to anyone.

It is intended to hold training sessions about the defibrillator and how to use it for residents of the village. The date and times of the training sessions will be posted in the Parish Magazine, on the village facebook page and on the Parish Council website <https://kelfieldparishcouncil.com>
